Curriculum Vitae

Judith Fiona Joseph, MD, MBA
2 West 46th Street, Suite 405, 408, 404 New York, NY 10036
phone: 646-678-4073 Fax: 646-850-6164
email: joseph@nymbm.com

EDUCATION

Year	Degree	Field	Institution
8/2005-5/2007	M.B.A. Masters Business Administration	Business	Columbia Business School
8/2002/5/2007	M.D. Medical Doctorate	Medicine	Columbia University College of Physicians & Surgeons
8/1998-5/2002	Bachelor of Science with Honors	Biology	Duke University

POSTDOCTORAL TRAINING

7/2011-7/2013	Child & Adolescent Psychiatry Fellow	NYU Langone Medical Center/Bellevue Hospital/NYU Child Study Center
7/2009-6/2011	Resident in Psychiatry	New York Presbyterian Hospital/Columbia University Medical Center/New York State Psychiatric Institute
7/2008-6/2009	Resident in Anesthesiology	New York Presbyterian Hospital/Columbia University Medical Center
7/2007-6/2008	Intern Year in Medicine	SUNY Downstate Medical Center

LICENSURE AND CERTIFICATION

Licensed physician in the state of New York (January 2011) #257114
Licensed physician in the state of New Jersey (June 2014) # 25MA09505600
Board Certified in General Psychiatry (September 2012), American Board of Psychiatry and Neurology # 65170

ACADEMIC ACHIEVEMENTS/APPOINTMENTS

- 7/2017-Present Meet The Press Didactic: Teaching Doctors Media Literacy, NYPH-Columbia Univ-NYSPI**
Teach Fellows in Adult Psychiatry Residency Media Training as a part of their Core Curriculum.
- 7/2011-Present Clinical Associate Professor Child and Adolescent Psychiatry**
NYU LANGONE MEDICAL CENTER **New York, NY**
Teach Fellows in Child and Adolescent Psychiatry Media Training as a part of their Core Curriculum.

Manhattan Behavioral Medicine

New York City's Premier Clinical Research Site

PRIOR CLINICAL EXPERIENCES DURING RESIDENCY AND FELLOWSHIP TRAINING

Child and Adolescent Outpatient Clinics: *Bellevue Hospital/NYU Langone Medical Center, NYU Child Study Center*

7/2012-7/2013 Treated outpatient pediatric patients in both a private setting and a community psychiatry setting; Completed comprehensive outpatient evaluations; Engaged in collaborative care with home-based crisis services, case management services, school mental health services and pediatricians. Utilized therapeutic modalities (such as Parent-Child Interaction Therapy (PCIT), and the ADOS-Autism Diagnostic Observation Schedule).

Child and Adolescent Inpatient Units: *Bellevue Hospital/NYU Langone Medical Center, NYU Child Study Center*

7/2011-7/2013 Treated and diagnosed inpatient child psychiatry patients (ages 3-11 years of age) with severe pediatric mental illnesses (such as ADHD, severe behavioral issues, autism spectrum disorders, pediatric anxiety, pediatric post traumatic stress disorder, pediatric bipolar disorder, pediatric schizophrenia, and pediatric depression); Treated and diagnosed adolescent inpatient psychiatry patients (ages 12-17 years of age) with severe mental illnesses (such as ADHD, conduct disorder, substance abuse, bipolar disorder, psychotic disorders, anxiety disorders, trauma-related disorders, and depression); Acted as a consult liaison on the pediatric medicine floors to treat psychiatric problems in medically ill pediatric patients; Utilized a wide range of psychotropic medications including medications such as clozapine; Implemented therapeutic interventions (such as Cognitive Behavioral Therapy, Exposure Therapy, Group Therapy, Motivational Therapy and Trauma focused treatments). Taught NYU medical students how to perform child and adolescent physical and psychiatric exams in an inpatient setting. Taught NYU medical students about the maintenance of medications in an inpatient setting and how to use brief psychotherapy during inpatient groups therapy sessions.

Pediatric Emergency Psychiatry: *Bellevue Hospital/NYU Langone Medical Center, NYU Child Study Center*

7/2011-7/2013 Treated and diagnosed emergency mental health issues in pediatric populations in the Child Comprehensive Psychiatry Emergency Program (C-CPEP) Taught NYU medical students how to perform brief pediatric physical and psychiatric exams in an emergency room setting.

Adult Inpatient Clinical and Clinical Research Units: *New York Presbyterian Hospital-Columbia University Medical Center/New York State Psychiatric Institute*

7/2009-6/2010 Treated medication refractory depression, bipolar disorder, schizophrenia, anorexia, bulimia, binge eating, OCD, and anxiety disorders; Prescribed ECT; Prescribed a wide range of psychotropics (including clozapine); Implemented various inpatient brief psychotherapies such as CBT (Cognitive Behavioral Therapy);

J. B. FCB 2026

Manhattan Behavioral Medicine

New York City's Premier Clinical Research Site

Administered and graded evidence-based rating scales (such as the Y-BOCS, Y-MRS, QIDS, HAM-D, Beck Anxiety inventory, AIMS, Bush-Francis Catatonia rating scale and CGI);
Acted as Consult Liaison on medicine units to treat psychiatric disorders in medically ill populations.
Taught medical students basic psychopharmacology of a wide range of psychotropic medications.

Adult Outpatient Clinics: *New York Presbyterian Hospital-Columbia University Medical Center/New York State Psychiatric Institute*

7/2009-6/2011 Treated patients in the adult IOP (Intensive Outpatient Program), a partial hospitalization program for newly discharged patients;
Practiced community psychiatry in a public psychiatry clinic for patients with significant social as well as psychiatric issues;
Administered twice-weekly psychodynamic psychotherapy in collaboration with the Columbia University Center for Psychoanalytic Training and Research;
Treated typical outpatient psychiatry disorders with various psychopharmacological interventions and therapeutic interventions (such as Cognitive Behavioral Therapy, Exposure Therapy, Infant-Mother Dyadic Therapy, Group therapy, Motivational Therapy, and Dialectical Behavioral Therapy).
Taught Columbia medical students how to perform adult physical and psychiatric exams in an outpatient/clinic.
Taught Columbia medical students about maintenance of medications and ECT on an inpatient unit.

Adult Emergency Psychiatry: *New York Presbyterian Hospital-Columbia University Medical Center Comprehensive Psychiatric Emergency Program (CPEP)*

7/2009-6/2011 Treated a wide variety of patients with acute psychiatric illness;
Treated acute psychiatric emergencies.
Taught Columbia medical students how to perform brief adult physical and psychiatric exams in an emergency room setting.

Anesthesiology Resident: *New York Presbyterian Hospital-Columbia University Medical Center Dept. of Anesthesiology*

7/2008-6/2009 Performed General Anesthesia and Pain Management for Pediatric and Adult Patients in the Operating room, OB suites and outpatient clinics.

AWARDS AND HONORS

2010	APA SAMHSA Minority Fellowship Award	American Psychiatric Association
